

New Handbook Set to Be Published!

The Young Christian Leaders' Alliance (YCLA), founded by R. Josiah Magnuson, is preparing an exciting new leadership handbook for Christian youth. The handbook will include a series of seven ranks based on the electromagnetic spectrum of light. It will emphasize the "others"-minded foundation of leadership. This book is intended for use by any young person who wishes to learn service and leadership qualities and who strives to follow Christ in a life-changing way. It is part of a project called "BEAMS" (**B**ecoming **E**nergetic **A**nd **M**obilized **S**ervants).

The 2010 BEAMS Handbook is slated to be published, in God's provision, by the end of November 2009. If you would like to participate in this project, please send a donation of around \$7.50 per book with your return address and the number of books you would like to the below YCLA address.

For more information, you may visit the BEAMS page online at www.YoungChristianLeaders.org/beams.aspx.

Leading Through Following

Today, many young people have become disillusioned and distant from godly involvement. Their situation has come about largely because of forces such as Evolutionary philosophy, media propaganda, and a fundamental lack of principled friends to step up and help them when they most need it. The purpose of the YCLA and our BEAMS program is to provide resources to reach out to these young people, teaching them about the power of Christ and encouraging and equipping them to spread his Truth and live a Biblical worldview. These young people will then lead others to Christ as they follow Him.

Cosmic-Innovation

★★★★★★
★★★

Let no man despise thy youth; but be thou an example of the believers, in word, in conversation, in charity, in spirit, in faith, in purity.

I Tim. 4:12
