

Support Operation Pi!

A "Prayer Initiative" for our Schools

The goal is to create or identify 100 prayer groups with at least 2 people each who commit to pray together for their school or college on a regular basis.

**We and our school officials
need God's
strength - guidance - wisdom.**

- Watch God work and see the power of prayer
- Provide a setting for your friends to thank God and acknowledge Him
- Help bring together core groups of youth to work for Christ
